Poems about the Sun

Rec - the words **Shining sun** – can be written independently or traced over letters written for them.

Year 1 & 2

The Sun

Sun, sun shining down,
Shining on the ground
What a lovely face you have.
Yellow, big and round!

Year 3 & 4

The Sun

The sun comes up, so big and bright,
It fills the sky with golden light.
It wakes the birds, it warms the day,
And helps the flowers bloom and play.

It shines so high, a glowing ball,
Sharing its light with one and all.
When evening comes, it says goodbye,
I'll see you soon up in the sky!

Year 5 and 6

Golden Sun

Great, glorious, golden sun,
Shine down on me today.
You are the life of all this earth,
You and your magic ray.

You are the life of bird and plant,
All must depend on you.
Shine down, great sun, the whole day long!
Shine from heaven's blue.

And I will welcome your golden rays,
For you mean life to me,
And you mean happiness and health,
Strength and energy.

Shine down, great sun, on flower and field,
And never say goodbye.
Forever and ever give us your light
From out the side, blue sky.
